IN MEMORY OF LUCIA WILSON
1914-1993

Lucia was born and raised in nearby Bethel Maine. She attended Gould Academy and a school in Virginia. She worked in a savings bank and later managed a telephone company in Bethel before moving to Shelburne in 1975.

Always gracious and hospitable, Lucia enjoyed her association with several local clubs. She was also an avid reader.

Lucia was a very talented artist. She dearly loved the colors and shapes that make up the scenery of the region. Her many paintings remain to remind us of the beauty that she saw around her.

IN MEMORY OF JULIA KENNEDY

Julia (Wilson) Kennedy was a long time resident of Shelburne (over 70 years). She was well known for her jellies and pickles. Her hobbies were knitting afghans and mittens. Most of these were donated to various organizations in Shelburne or the surrounding area.

This is what she called "Help Projects".

IN MEMORY OF RAYMOND FINNSON
1909-1993

Ray was a lifetime resident of the North Country. Born in Berlin, he lived in Shelburne for about 25 years. He was employed at Brown Company and Public Service.

Ray was an outdoor person. He fished, hiked, camped, trapped and hunted, often with his wife and daughter. He was an avid skier since childhood, with particular love for Wildcat and the Sherburne Trail.

With all that, Ray found time to serve Shelburne as a fireman and a trustee of trust funds. He worked on the Town Memorial Forest Committee and for years, single handedly maintained the many miles of fire trails through Shelburne's mountains.

The little pond on the top of Mt Ingalls, Ray's Pond, is a fitting memorial to a man with a calm face, a peaceful attitude, and a great love of the woods and waters.

DOG LICENSES

It's the Law

1. **EVERY DOG**, three months old or older, **MUST HAVE A LICENSE**. These are obtained from the Town Clerk. This must be done **EVERY YEAR BEFORE APRIL 30TH**.

2. **EVERY DOG*** must have a certificate showing that it has been **VACCINATED FOR RABIES**. This certificate must be presented at the time of registration.

3. **EVERY DOG** must wear its license tag. (RSA 466:1)

4. License Fees: (RSA 466:4)

\$ 6.50 - all neutered dogs

\$ 7.00 - all unneutered male dogs

\$ 9.00 - all unspayed female dogs

\$ 2.00 - owners over 65 (one dog only)

Failure to comply will make you liable with a penalty of \$ 15.00 (RSA 466:13)

5. **SHELBURNE HAS A LEASH LAW**

No dog may be allowed to run at large unless it is accompanied by the owner or custodian.
(RSA 466:30a)

6. * It is now State law to have all cats 3 months of age and over vaccinated against rabies.

PARKING BAN

It was voted at the 1990 Town Meeting to mandate a parking ban within the boundaries of town roads right of way during and 24 hours after a snowstorm.

Vehicles in violation will be towed at owner's expense.

SPEED LIMITS IN SHELBURNE

The selectmen have set speed limits for the following town roads:

East end of North Road - from intersection with Meadow Road to the Maine Line - 35 miles per hour.

Village Road and all other town roads - 25 miles per hour.

LANDFILL REGULATIONS

Hours: Saturday - 7 am to 12 pm all year
Wednesday - 3 - 4:30 pm June 15 - Oct 15.

Car Tires (no rims)	\$2.50 per tire
Truck Tires	\$25.00 per tire
Skidder Tires	\$35.00 per tire
Tractor Tires	\$5.00 per tire
White Goods	\$4.50 per item

Stumps from land clearings will be billed on an individual basis, depending on the size of the load, by the landfill attendant.

People wanting to dispose of the above items should contact Jo Carpenter at 466-3840 or call the Town Office at 466-2262 for a receipt before going to the landfill.

People disposing of items not paid for will be billed.

These fees reflect the cost to the Town for disposal and are subject to change.

Magazines will now be recycled and should be separated from other paper and placed in designated area.

**ORDINANCE REGULATING USE OF
ALCOHOL ON TOWN PROPERTY**

Section 1: Consumption of Alcohol Restricted

Except as otherwise provided by this Ordinance, it shall be unlawful to drink or otherwise consume any alcoholic beverage or alcoholic liquor as defined in RSA:175, in the Chester C. Hayes Memorial Park, any Town buildings or associated parking lots in the Town of Shelburne.

Section 2: Possession of Open Containers

Possession of open containers which contain alcoholic beverages or alcoholic liquor as defined in RSA:175 in any public place shall be considered prima facie evidence of consumption.

Section 3: Penalty

Whoever shall fail to comply with the provisions of this ordinance shall be guilty of a violation and subject to a fine as specified in Criminal Code 651:2, not less than \$ 50.00 per violation.

y. Int. TAN Note	\$500
z. Principal LTN	\$10,000
aa. Int. on LTN	\$2,700

[The Board of Selectmen and the Budget Committee recommend this appropriation.] (Majority vote required.)

4. To see if the Town will RAISE AND APPROPRIATE \$110,000 to construct the landfill closure cap on the Shelburne Municipal Landfill, and to authorize the issuance of not more than \$90,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes, and to determine the rate of interest thereon; furthermore, to use the balance of the Landfill Closure Capital Reserve Fund created for this purpose. [The Board of Selectmen and the Budget Committee recommend this appropriation.] (2/3 ballot vote required.)

5. To see if the Town will VOTE TO ESTABLISH a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of landfill closure costs, long term monitoring and environmental-upset liability associated with the Mount Carberry landfill and to further appoint the Selectmen as agents to expend such sums as may be necessary for this purpose. (Majority vote required.)

6. To see if the Town will VOTE TO CREATE the position of PUBLIC WORKS FOREMEN, which will be a full time position performing the current responsibilities of the Road Agent; including highway, town buildings, cemetery and park maintenance, and the landfill operation. (Majority vote required.)

7. To see if the Town will VOTE TO CREATE an EXPENDABLE GENERAL FUND TRUST FUND under the provisions of RSA 31:19-a, to be known as the GENERAL BUILDING MAINTENANCE FUND, for the purpose of repairing and maintaining all Town buildings, TO RAISE AND APPROPRIATE the sum of \$2,000 towards this purpose, and to DESIGNATE the Selectmen as agents to expend. [The Board of Selectmen and the Budget Committee recommend this appropriation.] (Majority vote required.)

8. To see if the Town will VOTE TO RAISE AND APPROPRIATE \$3000 for the purpose of grading the Clement Brook stream bed to reduce area flooding. This will be a non-lapsing article per RSA 32:3, VI and will not lapse until the work is completed or in three years, which ever is less. [The Board of Selectmen and the Budget Committee recommend this appropriation.] (Majority vote required.)

9. To see if the Town will VOTE TO RAISE AND APPROPRIATE \$10,000 to be added to the Heavy Highway Capital Reserve Fund previously established. [Upon consultation, the Board of Selectmen and the Budget Committee recommend the approval of \$5,000 for this appropriation.] (Majority vote required).

11. To see if the Town will VOTE TO ESTABLISH the Shelburne Fire Department as the Town's official municipal fire department, to approve the election of its officers by department membership, and to authorize the appointment of its members by the duly elected Chief. (Majority vote required).

12. To HEAR the report of the Office Study Committee.

13. To see if the Town will VOTE TO WITHHOLD its support and endorsement of the final Northern Forest Lands Council Report unless the recommendations in the final Report specifically state that the concept of GREENLINING or its application is not recommended nor is it an option that should even be considered within the geographic area of Coos County. (Majority vote required.)

14. To see if the Town will VOTE TO INSTRUCT its selectmen to withhold support for and endorsement of the final Northern Forest Lands Council Report unless the recommendations in the final report specifically state that any method of acquisition of land that goes into public ownership whether it be by a Federal Agency, State Agency or any entity acting on behalf of the Federal or State Government must have the prior approval of the Legislative Body of the Town of Shelburne. (Majority vote required.)

15. To see if the Town will VOTE TO ABOLISH the position of Constable as a ballot position, and to AUTHORIZE the appointment of permanent part-time Police Officer(s) in accordance with RSA 105:1, to be effective March, 1995. (Majority vote required.)

16. To see if the Town will VOTE TO AUTHORIZE the Selectmen to convey any real estate acquired by the Town by Tax Collector's deed. Such conveyance shall be by deed following public auction, or the property may by advertised sealed bids, or may otherwise be disposed of as justice may require, pursuant to RSA 80:80. This authorization shall remain in effect until rescinded by a vote of the Town meeting. (Majority vote required)

17. To see if the Town will VOTE TO AUTHORIZE the Selectmen to dispose of Municipal assets (recyclables, etc.) under the authority of RSA 31:3.
(Majority vote required)

18. To see if the Town will VOTE TO AUTHORIZE the Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purposes, as permitted by RSA 31:19.
(Majority vote required)

19. To see if the Town will VOTE TO AUTHORIZE the Selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that said street has been constructed to applicable Town specifications as determined by the Selectmen or their agent. (Majority vote required)

20. To see if the Town will VOTE TO ACCEPT the provision of RSA 33:7 that provides that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes.
(Majority vote required)

21. To see if the Town will VOTE TO ACCEPT the provisions of RSA 31:95-b that provides that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the year. (Majority vote required)

22. To see if the Town will VOTE TO ACCEPT the provisions of RSA 202-A:4-c that provides that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the year.

(Majority vote required)

23. To see if the Town will VOTE TO AUTHORIZE the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the Town meeting.

(Majority vote required)

24. To LEGALLY TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

ROAD AGENT

The Highway budget was higher than usual in 1993. This was due to the heavy snow fall in March and to our being able to complete the Losier Road project at a very reasonable price in one year rather than the scheduled two years.

This year we hope to upgrade Hayes Road. We have been having problems with drifting snow and snow removal on that road. There is no place to put snow. We also plan to clean stumps and brush along the North Road. We feel that our other roads are in good shape and plan no major projects on them this year.

I would like to thank everyone for the new truck. It has made my plowing days and nights more enjoyable.

This year, so far, the weather has been very windy and cold, which has made it hard to clear the roads of all ice and snow. Please bear with me. It's hard to have Florida roads in New Hampshire in January.

REPORTS OF OFFICERS AND COMMITTEES

SELECTMEN'S REPORT

1993 - YEAR IN REVIEW

Looking back through 1993, the Board addressed a number of issues of unusual variety involving environmental, town offices, personnel, and loss prevention issues.

In 1993 a number of projects were completed including the grading and paving of Losier Road. The resolution of this issue represents the culmination of several years of efforts, and waiting. Also in 1993, the lawn mower was purchased to mow the park, the roof on the town garage replaced, the access ramp was constructed in front of the Town Hall, and the new town truck was purchased and is now in service.

1993 presented three environmental issues. The relicensing of Shelburne Dam, one of seven dams involved, the issue of "below cost" timber harvests on national forest land, and the Northern Forest Lands Council "Findings and Options". The Selectmen have written to a number of agencies and elected representatives to express the need for a well balanced approach to all three issues that will be environmentally and economically responsible. If you are interested, information on these issues is available in the Selectmen's office.

A town office study committee was formed to review the office needs for the various town departments following a special town meeting in September. As requested, the committee has written a report that is included in the Town Report presenting their preliminary findings. Additional information will be presented at the town meeting.

1993 brought a number of personnel changes. Sandra Smith and Lynn Newell resigned for personal reasons. Sandra and Lynn have both been active contributors to our community and their presence is greatly missed.

1993 - YEAR IN REVIEW (continued)

In order to fill the vacated positions, Stan Judge was appointed as Selectman, and Jo Carpenter was named administrative assistant. As part of the transition, Jo has resigned as treasurer and transferred those responsibilities to Ben Werner, who was the deputy treasurer.

The personnel changes also include the formalization of job descriptions (town clerk, tax collector, administrative assistant, road agent), and the drafting of formal personnel policies.

In 1993, a loss prevention survey was performed on the various town facilities. The results of the survey have been forwarded to the department heads for review and implementation. As a part of the survey, a number of safety items such as emergency lighting, exit signs, and fire extinguisher have been requested in this year's budget for the town hall and garage.

And finally, after three years of continued effort under the leadership of Chris Hallee and Tommy Hayes, our fire department has received a class 9 certification. The certification of the Shelburne Fire Department may well mean a reduction in your home insurance premium. Certification information is available through the Selectmen's office.

1994 - UPCOMING ISSUES

The major issues upcoming for 1994 are the closure of the landfill, the restructuring of the Road Agent's position, the completion of the personnel management system, the dredging of Clement Brook, and the implementation of a state wide, enhanced 911 system.

Information on the closure of the landfill is summarized in the Solid Waste report. More detailed information is available at the dump, town meeting, or through the Selectmen's office.

There is an article in the warrant authorizing the establishment of the Road Agent as a full time employee. This is being proposed after reviewing and quantifying the work involved in running the departments for which the position is responsible. In light of the increasing work load and decreasing availability of part time employees, the authorization of the proposed full time position will ensure increased quality and continued service to the community, in a cost effective manner.

The only incremental costs associated with the proposed revision is \$6,000 for health and associated benefits. All the other costs such as FIT, FICA, etc. are currently costs that are borne by the Town.

A meeting was scheduled in February to solicit comments on the proposed policies and job descriptions that comprise the personnel management system. Following Town Meeting, the Board will complete the adoption of the policies and job descriptions. A copy of the personnel policies adopted will then be added to the policy and procedure books available in the library and Selectmen's office.

1994 - UPCOMING ISSUES (continued)

The Selectmen have begun the process of soliciting permits and notifying the abutters for the proposed dredging of Clement Brook. An article has been included in the warrant requesting approval of the funds to perform the dredging.

Working in conjunction with the state, the Town is preparing for the implementation of an enhanced 911 system. Information on the location of the residences in town will be compiled and forwarded for inclusion in the new system. The system is projected to be on line projected for July, 1995.

1994 - BUDGETS AND TAXES

The 1994 Selectmen's budget is outlined in the attached summary. As shown, the proposed town budget totals \$302,111. Included in the town budget is \$110,000 requested for the landfill closure. The remaining budget, \$192,111, contains a recommendation by the Board of Selectmen to cover the Constable's criminal defense legal fees, estimated to cost \$12,000. Excluding this special one time cost, the net town budget is \$180,111, or approximately \$8,000 less than the 1990 town budget.

The 1994 revenue estimate represents a somewhat conservative view. If the actual revenues in 1994 approach those seen in recent years, the town's portion of the tax rate will approximate the 1992 rate. In the future, if the revenues remain consistent and the major surprises can be avoided, the town tax rate could stabilize at 1992 levels.

The projections made in the course of developing the annual budgets and contained in this report are based upon estimates for the expenses and revenues. The actual costs and revenues are reviewed in October each year and the tax rates established.

REPORT OF THE OFFICE STUDY COMMITTEE

The committee established at the special Town Meeting to review the Town's current and future office space requirements will complete its assignment at the regular Town Meeting in March of 1994. The following is a brief summary of the activities of that committee.

Following appointment of the members by the Board of Selectmen, the committee got down to work in early October. At its weekly meetings the committee solicited the input of the Town's elected officials, appointed Boards and of the other principal users of the existing Town's buildings. The goal of this initial survey was to determine the current space needs of each and what they saw as a projected need over the next three to five years. The committee also sought to determine where and how the Town's official records were being stored.

Based on the information presented by these officials to the committee we were able to develop what we believe the critical issues to be.

1. The existing Town office does not meet current standards for fire safety and access.
2. The Town's records are scattered in a number of private homes.
3. The Town's (or perhaps individual's) liability is increased by conducting Town business from these homes.
4. The volume of records that the Town is required to keep is increasing rapidly.
5. The floors in the existing Town Hall cannot support the weight of the fireproof file cabinets we now own.

6. The lack of meeting space forces the Town's Boards to utilize the large meeting hall when a much smaller room would often do.

Based on this information and a rough approximation of the space required, the committee reviewed a number of potential solutions. The possible solutions were then reduced to what we felt were the best three and finally to a solution that we are recommending to the Town. The three considerations reviewed were the construction of a new library, freeing up that space for office use; the construction of office facilities at the Town garage and adding an addition to the existing Town Hall.

Based on our analysis of the feasible options, we feel the third option to build a 25 ft by 50 ft addition to the existing Town Hall meets more of the needs than any of the other potential solutions. We believe that for about \$ 50,000 we can add the above addition which is comprised of a new Town office, a records storage room, a handicap accessible toilet and a meeting room for meetings of up to 15 people. The above monies would also include funds for replacing the existing boiler with one sized for the new building and upgrading the electrical wiring in the existing building to code standards.

We believe the existing septic system is adequate to meet the needs of the facility as we are not adding any large requirements to it. We do urge the Selectmen to establish clear title to the Town's right to use this system but have not provided for funding of this in our estimate.

FIRE DEPARTMENT

The Fire Department has after three years of hard work succeeded in having the department ISO rated for the first time.

For three years the department has been purchasing and upgrading equipment. In September, a representative from ISO's Commercial Risk Services, Inc. came to Shelburne and did a survey of the department. On Nov. 8, 1993 the department was notified of its new rating of class 9, to take effect Jan 1, 1994. This new classification should result in a decrease for many insured properties within the town. The Fire Department urges people to check with the agents handling their homeowners insurance to see if this will apply to them.

The department is now beginning a new cycle of improvements, in order to lower the rating again. The department hopes to be reviewed in about 2 years, and hopes to have the rating drop to a 6 or 7.

Richard Hayes, a member of the department for 30+ years, retired in August. The department wants to thank him for his years of service.

The department is looking for people interested in joining. To join, please contact Chief Warren Hayes or attend a regular monthly meeting on the second Tuesday of the month at the Fire Station.

Warren Hayes,
Fire Chief

SHELburnE PARK COMMISSION

At the 1993 Town Meeting the people voted to purchase a lawn mower to mow the Chester C. Hayes Memorial Park. Ken Simonoko, Road Agent, purchased a good mower and Allan Carpenter kept the park grounds in tip-top shape. This was a move well made, as the mowing was done in a manner that the grounds always looked well groomed.

Early in the spring two braziers were stolen from the Pavilion. The investigation is being handled by the State Police.

Cement for the animules and stain for the tables were donated by The Friends of Recreation. Thanks to Kevin Daniels all the tables have a fresh coat of stain. The animules, donated by Ken and Phyllis Sears, the Grange, and the Shelburne Festival Committee were installed by men from the Festival Committee. Two new tot swings were donated by the SFD Ladies Auxiliary to replace damaged ones. Hazardous boards around the Pavilion were replaced with rubberized edging, donated by FOSR and installed by Ken and Phyllis Sears.

On Oct. 1 Bruce Sartwell, Loss Prevention Manager of NH Municipal Assoc. Insurance Trust, inspected the park and considered the play ground in overall good condition; however, did make the following suggestions to lessen chances of injuries:

1. The sandbox retainer needs to be replaced with a material that will not present a splinter hazard.
2. The center tire swing be removed to prevent a potential striking hazard and the tires and hardware be replaced.
3. Approved footing around the swings of 8 to 12 inches in depth and of number 6 or 8 sand should be installed. This would prevent a potential accident should a child fall upon getting off or on the swings.

4. A rail should be installed on either side of the playhouse structure to eliminate the potential for a fall. The top floor of the structure should have the top end area fenced to prevent someone from climbing on the outside of the playhouse.

5. The slide from the second floor of the playhouse should be considered for replacement by a glare proof material to prevent a potential burn.

6. A footing of number 6 or 8 sand should be installed at the base of the slide to prevent a falling type injury.

The Commission will concentrate in 1994 on the improvements suggested above, to make your Park a safe and healthy area to play.

Stan Judge replaced Lynn Newell as Selectmens' representative to the Commission and Louis Eafrazi was appointed the Alternate member.

Two laminated signs, stating "Park Rules" have been posted in the Pavilion.

They state: NO ALCOHOLIC BEVERAGES

NO DOGS

NO UNAUTHORIZED VEHICLES

These regulations were made to help minimize maintenance cost, and insure a healthier environment.

Many positive comments have been made about the Chester C. Hayes Memorial Park and we want to thank all the organizations and volunteers who have made your Park a place to be proud of.

CEMETERY COMMITTEE

All of the town's cemeteries have been well maintained this year with mowing and raking being the chief activities. The fence at the Wheeler Cemetery was repaired and replaced on the entrance part of the cemetery. This coming year a new fence is needed at the Austin Cemetery.

Richard and Tommy Hayes cleared trees and brush at the Evan's Cemetery, so that eventually there will be an enlargement of that cemetery. There are not many lots left in our town cemeteries except for the Wheeler Cemetery.

This year will also have the regular maintenance activities and loaming of certain lots.

CONSERVATION COMMISSION

The Shelburne Conservation Commission was involved with two major issues this year.

The first issue concerns the rebuilding of several holes on the Androscoggin Valley Country Club Golf Course. Work to repair the wet lands affected by this construction is under way. The officers of the AVCC are to be greatly commended in their honest effort to cooperate with State and Federal Agencies in this complicated and difficult situation.

The second issue concerns the Northern Forest Lands Council. We have reviewed the "Findings and Options" of this council which seeks to define the public's desires regarding the 26 million acres of forest lands in New York, Vermont, New Hampshire and Maine, and to suggest public policy changes that would be of help in achieving these goals.

Shelburne has cooperated with the Conservation Commissions of several other towns in suggesting options that will maintain the character and economy of the North Country.

Chairman

EMERGENCY MANAGEMENT

Emergency Management is the name given to what used to be called Civil Defense. Emergency Management will handle such major disasters as floods, blizzards, earthquakes, tornadoes, etc. They will also handle smaller emergencies, such as assisting at accidents and ambulance calls.

The Emergency Management Team advises people to be prepared for winter storms, and especially for spring floods that may follow this very cold and snowy winter. People on North Road need to be aware that they could be cut off from the rest of the Town by a serious flood of the Androscoggin River. If problems such as these should arise, the number to call is 466-3345, Shelburne's emergency number.

POLICE

The Shelburne Police Department has seen approximately an average number of accidents, burglaries, domestic disturbances, thefts, prowlers, motorist assists and traffic control requests during the past year.

As always, we are grateful to the State Police, Division of Highway Enforcement, Gorham Police Department and Gorham Dispatchers for their able assistance and continuing support throughout the year.

Implementation of the Pine Mountain repeater system has greatly enhanced our communication ability, and therefore improved officer safety in the field. We are very satisfied with it, and are appreciative to the town for supporting this project.

We are looking forward to the coming year and are confident Shelburne will remain one of the safest communities in the North Country.

Respectfully submitted,
Court Stearns
Assistant Constable

MEMORIAL FOREST

The Memorial Forest Committee last year voted to sponsor two Shelburne children to the Barry Conservation Camp. The enthusiastic response of the two boys who went (Shane Simonoko and Matt Labonville) helped us decide to do it again this year.

The week long camp is for boys and girls between the ages of ten and sixteen years old, and is geared toward developing responsible outdoor users. We will again be seeking applicants when this year's schedule is available.

The routine upkeep of the Memorial was as usual. The big project was painting the flagpole and with the help of some extra hands from some Shelburne Neighbors, all went smoothly.

LIBRARY

The library has enjoyed steady patronage again this year and our print collection has increased both through purchase and donation. Book circulation was about evenly divided between children and adults.

There was an increase in book acquisition compared to the past couple of years. Purchasing focused on works for children, including 30 books of recent publication. Among our periodicals, "Ladybug", from the publisher of "Cricket" magazine was added for the younger children. For adults, "Books", a new quarterly journal, features 25 excerpts from current books.

We would like to thank the following for donations during 1993: John Baker, Jack and Tommie Danforth, Ray and Hildy Danforth, Margie Frerichs & Kay Reichert, Shirley Gosselin, George Hill, Ramona Marois, Maggie Merrell, Joseph Trask, Susie Weller, and Ben Werner. Their gifts have been added to both our permanent and temporary collections.

The Gorham Public Library has recently clarified the understanding between us relative to the use of their library by Shelburne residents. We had previously been charged an access fee to use the Gorham Library. This is no longer the case, and we are grateful for the opportunity to use that library which complements our own.

The library hours are unchanged: Thursday afternoons from 2:30 to 4:30 and Saturday mornings from 10:00 to 11:00, and other times by appointment. We have an extensive collection of children's books and adult recreational reading, a small reference section, and one of the best collections of local history.

We still have access to interlibrary loan books, too. So come see us.

Respectfully submitted,

SOLID WASTE COMMITTEE

Rules and regulations controlling the operation of solid waste facilities --they were once called "Dumps"--- continue to affect Shelburne. The newest round of State and Federal laws on the subject look like a full scale avalanche, and Shelburne has chosen to duck.

If we continue to operate our landfill after April 2nd, the Town will enter into a whole new set of very expensive commitments, involving water testing and closure. We feel the wiser choice is to discontinue the use of Shelburne's landfill and use the Mt Carberry Landfill, for disposal of our waste.

Since we already recycle and have a transfer station, Shelburne is well set up to make the change. It will have little affect on Shelburne's citizens, since everything in our operation remains the same, except that the truck goes to Mt Carberry instead of down the hill.

To be certain that our garbage continues to be welcome at Mt Carberry, we must be careful to follow the instructions for separating recyclables. Separation is only a slight inconvenience and is vital to our continued operation.

Please note that fees for certain items such as appliances and tires remain in effect. We ask for your cooperation in keeping our transfer station running and trouble-free.

TOWN FOREST FIRE WARDEN & STATE FOREST RANGER

During the calendar year 1993, the State of NH experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable but **ONLY** with your help!

Please help your town and State Forest Fire Officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "no person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any materials in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of this RSA and other burning laws of the State of NH are misdemeanors punishable by fines of up to \$1,000.00 and/or a year in jail and you are also liable for all fire suppression cost.

The State of NH, Division of Forests and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th anniversary. The State of NH Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember... Only YOU can prevent forest fires". Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

REPORT TO DISTRICT ONE CITIZENS
By Raymond S. Burton, Executive Councilor
January 1, 1994

The five-member Executive Council acts much like a Board of Directors within the Executive Branch of your State Government. We have the authority granted to the Governor and Council by constitutional and statutory law for the overall administration of the affairs of State as defined by the NH Constitution, NH statutes, advisory opinions of the Attorney General and opinions of the NH Supreme Court.

We each represent one-fifth of the population divided into five districts. Our District consists of 98 towns and four cities spread over all or parts of five of New Hampshire's ten counties. The current population of our Districts is 221,000 people - basically the land area north of Concord.

Of prime importance to this region is the development of the highway transportation program throughout the State. The NH Legislature by law set in motion a two-year cycle which will start July 1, 1994 which requires each Councilor to hold public hearings to ascertain highway and transportation needs. We then meet to make our recommendations to the Governor who then will make a recommended plan for highways to the NH Legislature by February 1997. Governor Merrill will be making his 1994 recommendations to the NH Legislature by February 15, 1994. Towns, cities, counties and citizens having an interest in this should contact their local State Representatives and State Senator.

Another project that is of continuing interest to this District is the nomination and confirmation of individuals to the dozens of State boards and commissions on which the Governor and Council are required to fill with qualified and interested citizens. If you are interested, please forward a copy of your resume to me.

Individuals having an interest in these duties and responsibilities should contact my office or Governor Merrill's office at the State House, Concord, NH 03301.

NORTH COUNTRY COUNCIL

1993 has been a busy year for North Country Council. Our membership stands at 44 communities representing 99% of the region's population.

The year has seen major successes under the Council's senior staff leadership: David Beauchesne, Regional Planning Coordinator; Cathy Conway, Civil Engineering Coordinator; Claire Douglass, Community Planning Coordinator; and Liz Ward, Small Business Development Coordinator. This team has supervised projects that run the gamut from master planning and sewer system designs to traffic corridor planning, GIS mapping, and micro-enterprise lending. Marghie Seymour, our Solid Waste Planner, continues to provide valuable assistance to the region's solid waste management districts and communities on issues of recycling and solid waste management. Sharon Penney, Transportation Planner, has been providing the support and guidance for the Council's ISTEA Transportation Planning Program. This new program will give NCC members a much grater say in how the NH Department of Transportation prioritizes transportation construction activities in the North Country in the future.

Other activities completed this year include the third annual business survey, the North Country Ingenuity Fair, household hazardous waste collections, wood products market development planning, business counseling, region wide computerized wetlands mapping, Northern Forest Lands representation, floodzone management, completion of an industrial environmental assessment, completion of feasibility studies for industrial development, rural plastics recycling program, and regional telecommunications system planning.

In October, the Council celebrated its 20th anniversary year of service to the region with a gathering of former board members, friends, community representatives and staffers in Franconia, our old home town.

The Council is here to serve you. If there is any service we can provide, please do not hesitate to call me or Berta Clark, our Executive Secretary at our offices in Littleton (444-6303).

REPORT
OF THE
SUPERINTENDENT OF SCHOOLS

TO THE CITIZENS OF THE SHELBURNE SCHOOL DISTRICT.

It gives me a great deal of pleasure to make my second report to you as Superintendent of Schools. In the last year, dedicated citizens of the Shelburne community have worked with the SAU #20 Cooperative School District Study Committee to develop a quality educational program for our youth. It is refreshing to work in schools and their communities where quality education is supported by such hard-working and dedicated people.

School Administrative Unit #20 Cooperative School District Study: Consistent with your vote last year, we have moved ahead with the study of the possibilities of forming a cooperative school district. Informational meetings were held with the Selectpersons of the five communities to determine the extent of commitment to the *Articles of Agreement*. It is the unanimous recommendation of the Committee that the Cooperative School District be formed for grades 9-12. The Committee has met with the Berlin School Board and has discussed the possibility of Berlin joining the Coop at a future date.

Tuition Rates: The middle school tuition rates for 1994-1995 have reduced dramatically as a result of determining actual costs rather than using percentage allocations of budget based upon enrollment:

	<u>1993-94</u>	<u>1994-95</u>
Kindergarten	\$1,901.	\$2,199.
Elementary	\$3,803.	\$4,398.
Middle School	\$5,671.	\$4,650.
High School	\$5,997.	\$6,385.

In closing, I would like to urge you to support the proposal for the formation of a cooperative high school. This proposal represents a careful analysis of the future needs of our students coupled with a careful analysis of our future ability to pay for the programs to meet their needs. Your vote of "yes" on this issue is a vote for the future of young and old alike in our communities.

Respectfully submitted,

Daniel J. Whitaker
Superintendent of Schools

Report of the Cooperative School Study Committee

Since March of 1993 when the voters of the Dummer, Gorham, Milan, Randolph, and Shelburne School Districts authorized the continuation of a cooperative school study, the Study Committee has accomplished several objectives.

First, the Committee established three goals for a five-town cooperative high school; namely, that such a school should offer a greater variety of educational opportunities, provide a higher quality of program, and improve cost effectiveness.

Working through the summer months, the Committee designed a plan for a cooperative high school. That plan became the first draft of the Proposed Articles of Agreement, which were reviewed by each town's school board and board of selectmen. The Committee then revised the Proposed Articles based on input from those boards. The Articles of Agreement which you will vote on at the School District Meeting in March are a version of the Proposed Articles of Agreement, which were slightly modified after a series of public hearings conducted in February of this year.

The Committee created the Articles of Agreement through a process of debate, discussion, and consensus. Many of the Articles were mandated by state law, but six of the 15 Articles -- covering such diverse areas as grade levels, composition of the cooperative school board, a lease agreement, operating and capital expenses, transportation, and student phase-in -- are tailored specifically to the five towns' resources and needs.

The Committee urges you to attend the March School District Meeting because that meeting represents your only chance to vote on the Articles of Agreement. Following discussion of the relevant School District Warrant Article, only those present at the meeting will cast written ballots to accept or reject the Articles of Agreement.

The members of the entire Committee unanimously support passage of the Articles of Agreement.

PROPOSED ARTICLES OF AGREEMENT
between the Districts of
Dummer, Gorham, Milan, Randolph and Shelburne

Quality public education is important to the communities of Dummer, Gorham, Milan, Randolph, and Shelburne. Working together and using existing resources to create a cooperative high school, these communities can offer a greater variety of educational opportunities, a higher quality of program, and an increased cost-effectiveness.

ARTICLE 1: COMPOSITION AND NAME

The School Districts of Dummer, Gorham, Milan, Randolph, and Shelburne shall be combined to form a cooperative high school district which shall be named the _____ Cooperative High School District.

ARTICLE 2: GRADE LEVELS

The Cooperative High School District shall be responsible for grades 9 through 12.

ARTICLE 3: SCHOOL BOARD COMPOSITION

The School Board of the Cooperative High School School District shall consist of eleven (11) members, to be elected at the organizational meeting in the following manner:

At-Large	1 member	term ending 1995
Dummer	1 member	term ending 1996
Gorham	2 members	term ending 1995
	1 member	term ending 1996
	2 members	term ending 1997
Milan	1 member	term ending 1996
	1 member	term ending 1997
Randolph	1 member	term ending 1996
Shelburne	1 member	term ending 1997

Members of the Cooperative High School School Board shall be elected by the voters of the pre-existing districts they

represent and must be residents of those pre-existing districts. The "at-large" member may be a resident of any pre-existing district and will be elected by vote of all pre-existing districts. Voting will be by town/school district checklist. All members elected subsequent to the organizational meeting shall be elected to three (3) year terms at regular town/school district elections. Reapportionment of the School Board may be proposed at any time in accordance with NHRSA 195:22 and NHRSA 671:9, but in any case, the apportionment as specified above shall be subject to review for possible amendments in 1998, and every three (3) years thereafter under the provisions of Article 14. of this Agreement and NHRSA 195:18, III,1.

ARTICLE 4: LEASE AGREEMENT

The Cooperative High School District shall lease a portion of the existing facilities and equipment of Gorham High School for the sum of \$1,000. per year.

ARTICLE 5: OPERATING AND CAPITAL EXPENSES

The operating and capital expenses of the Cooperative High School District payable in each fiscal year shall be charged to the pre-existing school districts. That charge shall be in the proportion that the average daily membership of pupils in residence (ADMR) in each pre-existing school district bears to the total average daily membership of pupils in residence (ADMR) for the Cooperative High School District. For the purposes of this apportionment, the most recent ADMR figures provided by the NH Department of Education available on each February 1st preceding the Annual District Meeting will be used.

ARTICLE 6: STATE AID

All aid from the State of New Hampshire, to which a pre-existing district would be entitled for grades 9-12 if it were not a part of the Cooperative High School District, shall be credited to said pre-existing district's share of the total operating budget.

ARTICLE 7: BUILDING AID

State Building Aid which may be available to the Cooperative High School District shall be applied to reduce capital expenditure prior to the apportionment of costs under the provisions of Article 5.

ARTICLE 8: SCHEDULE OF PAYMENTS

A schedule of payments based upon the sum of the apportioned shares of the pre-existing districts for operating and capital expenses shall be established and revised as necessary by the School Board with the advice of the selectpersons of the several towns comprising the Cooperative High School District.

ARTICLE 9: TRANSPORTATION

The pre-existing school districts shall continue to provide daily transportation for pupils in grades 9-12 attending the Cooperative High School at the level of service existing prior to the formation of the Regional High School District.

Any additional daily transportation costs and activity transportation (field trips and athletics) shall be provided by the Cooperative High School District by contract with the pre-existing districts. Said transportation contracts shall be based upon the estimated cost per mile of transportation in the pre-existing district plus the estimated cost per hour of driver time for any time expended outside of that normally contracted to the Cooperative High School District by the driver.

A "late bus" for Cascade, Dummer, and Milan students participating in activities shall be provided.

As part of its operating and capital expenses, the Cooperative High School District may acquire additional transportation as required.

ARTICLE 10: COMMUNITY USE OF FACILITIES

Facilities and equipment leased by the District may be used for civic, town, and other non-district purposes as may be determined by the policies of the Cooperative High School Board and the Gorham School Board.

ARTICLE 11: STUDENT PHASE-IN

Any pupil of the Cooperative High School District, residing in Dummer or Milan, who has completed grade NINE (9), TEN (10), or ELEVEN (11) in Berlin High School as of the opening date of the Cooperative High School and who wishes to continue in Berlin High School, will be permitted to do so until graduation or transfer. The pre-existing school district of residence shall pay the actual Berlin High School tuition charged for said pupil.

ARTICLE 12: ADDITION OF GRADES OR SCHOOL DISTRICTS

Additional grades or other school districts may be added to the Cooperative High School District in accordance with the provisions of NHRSA 195:16.

ARTICLE 13: PHYSICAL PROPERTY

All items purchased with Cooperative High School Funds are the property of the Cooperative High School District. In the event of the withdrawal of a pre-existing district or the dissolution of the Cooperative High School District, physical property will be dispersed to pre-existing districts in the same average proportion as operating costs were shared during the period of the withdrawing member(s) participation in the Cooperative High School District.

ARTICLE 14: AMENDMENT OF ARTICLES OF AGREEMENT

These Articles of Agreement may be amended by the Cooperative High School District, consistent with the provisions of NHRSA 195:18,III,i, except that no amendment shall be effective unless the following conditions prevail:

- A. No amendment to these Articles of Agreement shall be considered except at an Annual Meeting of the Cooperative High School District.
- B. The text of any amendment shall be included in an appropriate article in the Warrant for said Annual Meeting.
- C. A reasonable opportunity for debate in open meeting takes place.
- D. Voting on any amendment is by ballot with the use of each pre-existing district's checklist.
- E. Two-thirds (2/3) of the voters who are present and voting shall vote in favor of adopting any amendment.

It shall be the duty of the Cooperative High School Board:

- A. To hold a public hearing concerning the adoption of any amendment to these Articles of Agreement at least ten (10) days before said Annual Meeting.
- B. To cause notice of such hearing and the text of the proposed amendment to be published in a newspaper or newspapers having general circulation in the District at least fourteen (14) days before said hearing.

Until the date of operating responsibility is assumed, the Cooperative High School Board is empowered to call a special district meeting for the purpose of amending the Articles of Agreement under the procedures outlined above

ARTICLE 15: DATE OF OPERATING RESPONSIBILITY

The date of operating responsibility of the Cooperative High School District shall be no later than July 1, 1995.

SHELBURNE SCHOOL DISTRICT
ANNUAL SCHOOL MEETING
Report of Proceedings
March 9, 1993

The Polls were opened at 5:00 pm by Town and School District Moderator, John Henne, for action by ballot to elect School District Officials as follows:

1. Two (2) Auditors for one (1) year.
2. Member of the School Board for three (3) years.

Out of 86 ballots cast, voting results are as follows:

1. Auditors for one year: Louise Bevin -- 16
 Rodney Hayes -- 16
2. Member of the School Board for three years: Jo Anne Carpenter -- 84
 (Other write in votes recorded on accompanying sample ballot)

The Annual School District Meeting was called to order at 8:30 pm by School District Moderator, John Henne. Dr. Dan Whittaker, Superintendent and Paul Partinope, Administrative Ass't were introduced. The following actions were taken:

Article #1: John Carpenter moved and Bob Corrigan seconded that "the School District accept the reports of agents, auditors, committees heretofore chosen as printed in the Annual Report."

VOTED IN THE AFFIRMATIVE.

Article #2: Gail Newell moved and Kristy Lavertue seconded that "the District vote to authorize the School Board to continue its participation in a Cooperative School District Study among the school districts of Dummer, Errol, Gorham, Milan, Randolph and Shelburne regardless of the withdrawal of Berlin from the original study or the withdrawal of any other remaining district in the future."

VOTED IN THE AFFIRMATIVE.

Article #3: Ray Danforth moved and John Carpenter seconded that "the District vote to authorize the school board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational programs which may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, private individuals or corporations, or any federal or state agency and to expend the same for such projects as it may designate."

VOTED IN THE AFFIRMATIVE.

Article #4: Jo Anne Carpenter moved and Ray Danforth seconded that "the District vote to authorize the School Board to enter into a three (3) year tuition contract with the Gorham School District."

VOTED IN THE AFFIRMATIVE.

Article #5: Don Kernan moved and Robert Corrigan seconded that "the School District vote to raise and appropriate the sum of \$5,000.00 to the Bus Capital Reserve Fund."

VOTED IN THE AFFIRMATIVE.

Article #6: Jackie Corrigan moved and John Carpenter seconded that "the District vote to raise and appropriate the sum of \$454,892.00 for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of the statutory obligations of the District, said sum including the amount appropriated to the Bus Capital Reserve Fund in Article #5.

The question was asked concerning the tremendous increase over last year's figure. It was explained by Mr. Whittaker that Shelburne's equalized evaluation went up, and at the same time, Shelburne received no foundation aid this year.

VOTED IN THE AFFIRMATIVE--SEVERAL NAYS NOTED.

Article #7: To transact any other business which may legally come before this meeting.

Under this article, Robert Corrigan moved that "we, the voters of Shelburne, convened at the 1993 annual School Meeting, respectfully request that the Shelburne School Board send to the Gorham School Board a letter supporting the current Gorham School health curriculum. Moreover, we ask that the Shelburne School Board request that their letter be read into the record at the Gorham School District Annual meeting of 1993." Motion seconded by Ray Danforth.

Bob explained that he was making the motion because it was felt that there might be a move at the Gorham meeting to keep non Gorham residents (parents) from being heard. He felt that Shelburne's feelings about the program should be voiced. Dr. Don Kernan explained the existing program to those present.

VOITED IN THE AFFIRMATIVE: 27 in favor. 3 Opposed.

Under this article, George Hill moved that "the Shelburne School Board look into additional means of safeguarding children on the bus, making safety a priority." Motion seconded by Burton Meyers.

Motion made in response to questions regarding motorists illegally passing the bus while discharging students and what was being done about the problem.

VOITED IN THE AFFIRMATIVE.

Meeting recessed at 9:15 pm, March 9, 1993, for the purpose of counting ballots.

Meeting reconvened at 9:31 pm, March 9, 1993, for the purpose of reporting election results.

Motion made by Robin Henne and seconded by Hildreth Danforth to adjourn the Annual Shelburne School District Meeting.

Meeting adjourned at 9:37 pm, March 9, 1993.

Respectfully Submitted,

Ann Leger, Clerk
Shelburne School District
